

THE AVAYA IR INTERACTIVE VOICE RESPONSE SYSTEM WITH AMERICA'S HEALTHCARE SOLUTION SOFTWARE FROM ACCUVOICE INC.

Community outreach solutions using today's technology on behalf of our students, teachers and parents

HOMEWORK HOTLINE

The Homework Hotline offered by Accuvoice helps Parents, Teachers and Students stay current on homework assignments any time of the day or night, weekday or weekend. It provides an automated system that announces homework assignment by class or student I.D.

Application Administration

- Administered entirely over a touch-tone telephone
- Administrators define the available class codes and create the class directory
- Teachers record the homework assignments for their own classes
- Flexible setup
- Segmented (Drop & Insert) 1- Today's assignment
2- Next week's assignment 3 - Class project
4- Term paper and so on through 9

Benefits

- Efficient and accurate way to listen to homework assignments by class
- Allows parents to participate and motivate students for class assignments
- Lets students, who are at home because of illness, keep up with their class
- Can record up to 9 separate items per class
- Only have to re-record those items that change, not the entire message
